SOLUTION PROVIDER

There are plenty of retail dealerships in the market who sell and service boats. If you value unprecedented professionalism, prompt response and a pleasurable transaction experience both before, during and after the sale, **Emerald Coast Marine Group** is your solution provider.

There are reasons that our dealership consistently earns **5-Star Customer Service Ratings.**

RELATIONSHIPS ARE #1

Ours is a no-hassle culture where great value is built based on long-term relationships and what is the best offering for the customer. From the outset, we seek to meet and exceed your expectations and deliver the product desired with excellence.

LOCALLY OWNED & MANAGED

Our dealership is owned and managed by individuals who live and work in this market. We are not part of a conglomerate without ties and interest to this community. Our Orange Beach team has been chosen based on decades of proven experience in this market.

BRANDS YOU CAN COUNT ON

Each and every brand in our product portfolio has been strategically selected for the boating market we serve. Our goal is to provide the best mix of new and premium pre-owned boats for the region, choosing quality builders and brands that last for the long haul.

EASY FINANCING & INSURANCE AVAILABLE

Besides providing great product offerings, we also resource a robust platform of top financing and insurance providers. Our in-house experts and licensed insurance agent are accessible and pleased to search for the best financing and insurance options available.

CONVENIENT LOCATION & SERVICE AVAILABILITY

Our dealership is situated directly off of the Foley Beach Express at The Wharf. In addition, we provide a choice of expert master mobile technicians, top locally-sourced service providers or complimentary concierge transport as desired to our in-house service department featuring factory-certified technicians in multiple categories. We stand behind and are 100 percent committed to your service excellence.
