THE SIX HOTTEST

NEW COASTAL BOATS FOR 2021

The Northwest Gulf Coast is famous for its spectacular, sugar-white sands and stunning, emerald-hued waterways, which attract and entice beach-goers and boaters alike by the droves.

To celebrate the best of the boating life, **Coastal Lifestyle Magazine is pleased to spotlight six of the hottest new coastal boats for 2021!** These top models manufactured by

leading national brands are turning heads and commanding attention at boating hotspots throughout our region. Rev up your engine and review our top 2021 choices for the best new coastal powerboats along the Emerald Coast!

WATER MAGIC: MONTEREY M65

Style, luxury, performance, and comfort are in abundance on the new Monterey M65. This sleek powerboat offers sexy lines plus tons of customer favorites like deluxe seating, awesome storage accommodations, powerful engineering design, plus great extras like USB ports and drink holders throughout! Aft, rear-facing seating at the transom accentuates the M-65's massive swim platform, sure to be a favorite for families and water sports enthusiasts alike!

Length Overall: 26' 7"

Fuel Capacity: 80 Gallons

Beam: 8' 6"

Max HP: 400 HP

KING OF THE WAKE: SUPER AIR NAUTIQUE PARAGON G23

Wow! Check out the top-rated Super Air Nautique Paragon G23, winner of the marine industry's 2020 *Innovation Award!* Nautique brings a 95-year history and heritage of performance to bear, including aggressive styling and revolutionary innovation into this spectacular new model! The most awarded wakeboard boat on the market today, Paragon has been named *Wakeboard Boat of the Year 2x* and *Wakesurfing Boat of the Year 5x*. Of particular interest, the custom Coastal Package ensures a saltwater-ready boat featuring a closed cooled system and more!

Length Overall: 29'

Fuel Capacity: 65.6 Gallons

Beam: 102"

Max HP: 600 HP

THE ULTIMATE OFFSHORE CENTER CONSOLE: SOLACE 345

Coastal Lifestyle featured this new model in 2020 when it made its national and regional debut. No doubt this new model will continue making tsunami-sized waves as it did upon launch. Named the coveted "Boat of the Year" by *Boating Magazine* and winner of the 2020 National Marine Manufacturer Association Innovation Award, be the envy with Solace, featuring the latest in technology, engineering, and design, all under the legendary Stephen Dougherty signature.

Length Overall: 38'

Fuel Capacity: 343 Gallons

Beam: 10' 6"

Max HP: 900 HP

PONTOON ISLAND: CREST CARIBBEAN PLATINUM 230 SLC

Panhandlers love pontoons for good reason: there's plenty of room to stretch out, bring the family and friends and enjoy a great, relaxing day on the water! Crest's popular Caribbean Platinum series, including the 230 SLC offers a winning, all-around great boat that delivers comfort, style, and versatility. Other notable distinctions include its overall layout, contemporary flooring, and standard 10' bimini top for shade. Best of all, its larger center toon and dual lifting strakes deliver an unprecedented smooth, dry ride.

Length Overall: 26' 6"

Fuel Capacity: 85 Gallons

Beam: 8' 6"

Max HP: 400 HP

FISHING AT ITS FINEST: 252DC

Blackfin has earned rave reviews, capturing the prestigious 2019 Marine Industry Innovation Award for the Center Consoles-Walkaround Fishing Boats category. This sporty dual-console gets you to fishing grounds in comfort and style while providing easy access to bow and stern. Standard features include an insulated baitwell, fiberglass hardtop with rod holders, gunnel and transom-mounted rod holders, plus in-floor fish boxes with macerated pump-outs. Versatile seating, wet bar with sink/sprayer, and 35 qt. Yeti Tundra cooler plus generous storage options and head add to her unmistakable value.

Length Overall: 8' 10"

Dry Weight w/o Engines: 5,800 lbs

Deadrise: 22 Degrees

Fuel Capacity: 140 Gallons

THE BATTLEWAGON: SEA PRO 259

Hardcore anglers will likely agree: few deep-vees deliver more value and performance than the venerable Sea Pro 259 CC. Loaded with standard features that surpass others in its class, the Sea Pro 259 is immediately recognizable by its spacious 9'4" beam, massive Carolina flare, and fiberglass hardtop. Other key features include huge, macerated fish boxes, 30-gallon pressurized live well with aquarium lid, plus a wealth of family-friendly features including spacious seating and head.

Length Overall: 25' 9"

Fuel Capacity: 147 Gallons

Beam: 9' 4"

Max HP: 400 HP
